## DISASTER SHELTER RULES FOR PET OWNERS

Owners of animals wishing to bring their pets to the disaster shelter should bring with them the following:

Rabies vaccination certificate

Travel kennel or appropriate cage to house the animal (must be large enough to house the animal comfortably for long hours. For cats, the cage must be large enough to accommodate a litterbox.)

Collar with I.D. tag and rabies tag

Leash

Bowls

Food

Litterbox and litter

Any required medications

(Owners are asked to label all supplies with the owner's name and contact information)

\*Owners **MUST** provide a current rabies vaccination certificate for each animal they wish to shelter.

\*We will only accept animals belonging to people who are seeking shelter themselves. Owners **MUST** stay at the emergency shelter if we are housing their animals.

\*Owners are expected to take care of their own pets during their stay. This includes walking, feeding, and cleaning the cages.

People with questions about bringing their animals to the emergency shelter should call 252-745-3203 or 252-670-6129.

Thank you,
