

Hurricane Irene Recovery Notice  
Debris Removal

Debris Pickup has been extended until January 31, 2011 with the following restrictions:

- All debris removal must be preapproved by a county designated official and issued a voucher.
- Only construction and demolition (C&D) debris is eligible for pickup. **No vegetation.**
- Pick up of whole house demolitions in the public right of way will be considered under the following conditions:
  - Homeowner must be uninsured or underinsured
  - Structure must be inspected and approved by FEMA prior to demolition
  - Homeowner must complete application paperwork prior to demolition
  - After approval homeowner is responsible for moving debris to public right of way
