

Pamlico Human Coalition

The Coalition was started as a way of exchanging ideas and information about services that can have an impact on the quality of life of Pamlico County residents. With eleven founding members present, the first meeting was held July 16, 2009 at Senior Services. Those members recognized the need for timely information in an easy to access format that was directed not just to the public, but other members as well. Over the past few months we have evolved and grown. Our steadfast purpose is summed up in our mission statement:

“Our mission is to improve and increase the knowledge base of resources available to the citizens of Pamlico County.”

Each member, whether government, non profit or for profit, takes our mission very seriously as we continually strive to learn more and make that knowledge available to those citizens who need assistance. As part of our mission, we invite you to join our meetings and learn as we are. The meetings are held the 3rd Thursday of every month from 12 noon to 1PM at Senior Services. For more information please call Jane Lee, Facilitator or Kelly Hooker, Secretary at 745-7196.
